

Award-Rules

25 Years Austria in the EU

To celebrate the above event the Styrian regional association of ÖVSV is organizing a special activity period with special event stations and issues various awards.

The awards are also available for SWLs on the same terms and conditions.

The actual valid or participating calls you can find here:

<https://www.qrz.com/db/oe25bkc>

Category Phone

This award requires 7 contacts for stations within Europe and 6 contacts for those outside Europe with different special event stations or with the same special event station on different bands.

Different Phone Modes only count once per special callsign and band

Category CW

This award requires 5 contacts for stations within Europe and 4 contacts for those outside Europe with different special event stations or with the same special event station on different bands.

Category Digital

This award requires 5 contacts for stations within Europe and 4 contacts for those outside Europe with different special event stations or with the same special event station on different bands.

Different digital modes only count once per special callsign and band.

Category Digital Voice

This award requires 4 contacts for stations within Europe and 3 contacts for those outside Europe with different special event stations or with the same special event station on different bands. All digital voice modes (DMR D-STAR C4FM TETRA) on the 10 meter, 6 meter, 2 meter, 70 cm and 23 cm bands are valid. Direct contacts and contacts via repeaters, relays and satellites in digital voice are valid. Contacts directly via the Internet (e.g. via DV4mini/AMBE and similar) are not valid.

Category Mixed

This award requires 8 contacts for stations within Europe and 6 contacts for those outside Europe with different special event stations or with the same special event station on different bands.

Different digital voice modes only count once per callsign and band.

Please send your applications including logbook extract (.adif or .xls) to oe25bkc@a1.net, specifying your call, first name and surname and e-mail address. For any inquiries, please contact also oe25bkc@a1.net. The awards are issued in digital form and sent by mail via the Russian Telegraphy club "RCWC".
