

Lesson Plan

for the Teacher

- 1.) One minute listening to Morse characters and singing them back to the teacher.
(teacher clicks on the letters)
- 2.) One minute listening to Morse characters and speaking the correct letter or number, e.g. (a,d, g, 2,)
(teacher clicks on the letters)

20 minutes:

- 3.) Groups of five/ groups/ standard-QSO; written down.
(program set to 1 minute time period)
- 4.) Everyone reads out their text; not corrected at this stage.
- 5.) Teacher reads the text through slowly and students correct any mistakes.
- 6.) Students send the corrected text with the paddle; teacher corrects any errors.

Abbreviations

- 7.) Students read out the abbreviations and explain the meaning.

Copying and Sending off the top of the Head

- 8.) One OM sends an abbreviation, the student sat next to them must repeat it off the top of their head and explain the meaning.
